

FOR IMMEDIATE RELEASE

Kemtah Approved as GSA Multiple Award Schedule 70 Vendor

July 27, 2009, Albuquerque, NM

The Kemtah Group, Inc., (Kemtah), a premier IT infrastructure support and transformation provider, today announced its award of General Services Administration (GSA) Multiple Award Schedule (MAS) 70 contract GS-35F-0322V. Kemtah's contract award is for Special Item Number (SIN) 132-51, Information Technology Professional Services.

"Kemtah has been delivering superior IT services to federal agencies for more than 20 years," said Kemtah president Stephen V. Wade. "Under the terms of this contract, we are essentially pre-qualified to provide these services directly to any government agency upon request. We intend to aggressively pursue and expand our government service delivery through the Schedule 70 contract vehicle."

Kemtah's service offerings to Federal agencies will include capabilities where our years of experience have culminated into a proven, repeatable ability to improve customer satisfaction and service quality, while simultaneously reducing costs of support:

- ◆ Help Desk/Service Desk Management
- ◆ Desktop Support Managed Services and On Demand
- ◆ Server/Network Support Managed Services
- ◆ Telephony Support
- ◆ Video Conferencing Managed Services
- ◆ IT Infrastructure Consulting
- ◆ IT Transformation Services
- ◆ Migration Planning & Execution
- ◆ IT Projects

Under the GSA Schedules Program, GSA establishes long-term, government-wide contracts with commercial firms to provide access to commercial products and services that can be ordered directly from GSA Schedule contractors or through GSA Advantage!, the GSA online shopping and ordering system. The ensuing contracts provide customers with the variety and flexibility necessary to select the best value item that meets their needs at the lowest overall cost alternative (considering price, special features, administrative costs, etc.).

Kemtah's GSA contract GS-35F-0322V, is available on the GSA Advantage! website at www.gsaadvantage.gov.

About Kentah

Headquartered in Albuquerque, New Mexico, the Kentah Group is a premier IT Infrastructure Support and Transformation Services firm delivering IT Service Management and technology support throughout North America. Our experts help commercial and government organizations effectively optimize the people, processes, and technologies that comprise their IT departments using global standards such as ITIL, CoBIT, and ISO. Kentah's managed service engagements have on average achieved cost reductions of 30% - 40% while simultaneously increasing productivity by 25% - 30%. We achieve these savings year-over-year through the introduction of efficient technology, aligning spending, and reengineering business processes. The company's footprint of service locations throughout the U.S., Canada, and Latin America enable the Kentah Group to provide local, reliable, and cost-effective IT support.
